ABOUT ROSEFELLOW.

RF. |

WHO WE ARE

ROSEFELLOW. is a leading real estate development and management firm in Montreal. We are at the forefront of modern methods in the ways buildings are designed and constructed.

ROSEFELLOW. designs, builds, and manages buildings that rely as much on our intrinsic qualities as on the service we provide. This conviction gives us the energy to unify those like us who want to commit and innovate for an energy efficient, fluid, and inclusive city.

OUR APPROACH

Whether it is ground-up construction or transforming dated and uninspiring buildings into luxury residential and/or industrial assets, we strive to deliver a unique and exceptional living/working experience to its valuable users.

Our operational policies ensure that we can consistently deliver, maintain, and maximize value for our clients and partners. At ROSEFELLOW., we are constantly adapting to a fast-changing world of design. We keep devising new and advanced ways of developing and managing our assets to deliver optimum value to our investors while also creating an exceptional experience for the end users. Therefore ROSEFELLOW. is becoming a pre-mier real estate developer Canadians turn to first, and how we intend to remain so.

ABOUT ROSEFELLOW.

A SEAMLESS PROCESS

We understand that property investments can be somewhat challenging and some real estate companies lack transparency. In turn, we strive to make the process simple, clear, and effortless for you. We do this by identifying and carrying out extensive diligence to ensure our projects are de-risked.

SUSTAINABILITY

Sustainability has been at the heart of ROSEFELLOW. since day one. We are continuously partnering with leading manufacturers, universities and engineers to pioneer new approaches and technologies that elevate the efficiency and value of every building and investment. At ROSEFELLOW. sustainability is not a means to an end, but an ongoing practice that fosters communities and cities.
